Safeguarding Statement:

The Roseland Multi Academy Trust is committed to safeguarding and promoting the welfare of children, and expects all staff to share this commitment. Everyone who comes into contact with children and their families and carers has a role to play in safeguarding children. In order to fulfil this responsibility effectively, all professionals should make sure their approach is child-centred. This means that they should consider, at all times, what is in the best interests of the child.

Our Headteachers and Trustees act reasonably in making decisions about the suitability of the prospective employee based on checks and evidence, including Disclosure and Barring Service (DBS) checks, barred list checks, online searches and prohibition checks, together with references and interview information. The level of DBS certificate required, and whether a check for any prohibition, direction, sanction, or restriction is required, will depend on the role that is being offered and duties involved. As the majority of staff will be engaging in regulated activity, an enhanced DBS certificate which includes barred list information, will be required.
